

MAKE SURE THE MAYOR DOESN'T TURN
OUR NEIGHBORHOOD INTO THE NEW

SILICON ALLEY

Multiple office buildings, hotels + high-rise condos are planned for our area, fueled in part by the expansion of the tech industry's "Silicon Alley" here. Mayor de Blasio and developers think this is a great idea, + want approvals for a new "Tech Hub" on 14th Street that will accelerate this trend unless neighborhood protections are attached to it.

Attend + speak (<optional) at a critical Community Board #3 hearing DEMAND protections for our neighborhood as a condition for ANY approvals for the Mayor's 14th Street Tech Hub plan.

WED., FEB. 7 @ 6:30pm
